Early Check-in

FHL iSportsman allows permit holders to check into a Hunt Area or Fishing Reservoir the day before starting at 2:00pm.

Early Check-in does **NOT** allow early access to the Hunt Areas or Fishing Reservoirs. You can only be checked into one Hunt Area or Fishing Reservoir at a time. You must check-out before you can check-in again.

Hunters are allowed to enter their checked-in Hunt Areas two hours before sunrise. Fishing times are one hour before sunrise to one hour after sunset.
